## **Lord Send A Healing**

**There are some valleys, that seem so lonely and long  
You've set your sights on the mountain,  
But your strengths almost gone  
There is One who walks with you,  
Put your trust in His care  
When your heart fears tomorrow, your God's already there**

**Lord send a healing, gentle touch from your hand  
Springs in the desert, hope renewed again  
Sooth the weary in spirit, give them peace give them rest  
Fill their hearts with a knowing, that Your way is best**

**Lord You've been in the valley, and You've been in the storm  
You have walked in the desert, You were tempted alone  
Your heart was broken, You are touched with our pain  
You're a God who delivers, The One who sustains**

**Oh, Lord send a healing, a gentle touch from your hand  
May Your loving kindness, refresh them again  
If their hearts are thirsting, for a drink from your well  
Encourage them Father, with Your peace their souls fill  
Yes, encourage them Father, whisper " child peace be still"  
Child peace be still**

Dear Friends: This is one of those beautiful miracles that Jesus performs in our crusades. In 1965 Tilly Harder was an 11-year-old-girl who was severely abused (Go to our blog to read her tragic story: [maxsolbrekken.com](http://maxsolbrekken.com)).

She says that our crusade saved her life! She visited Christ the Healer in Saskatoon a few years ago and stirred us all. There were only two Pentecostal believers in Steinbach before our Tent Crusade and today there are several thousand who speak in tongues. Sam Bilsky, Peter Enns and I rented the basement of the Lutheran Church and that is how the Full Gospel Church began with 89 members in 1965.

Tilly Harder is a trophy from that crusade. She will be singing at the Come Home To Jesus Revival at the Cleansing Wave Gospel Church on Main St, SPRAGUE - **SEPT. 6, 7 & 8 Daily 7:00 Sun 10:30 & 6:00**
